

TOY-BOT GAME CHALLENGE

Design your toy-bots here:

1. Draw or design three or four toy-bots that look like your TV/movie favorite characters.
1. Connect the circuits and build the toy-bots.
2. Make a circle on the floor with chalk.
3. Place all the toy-bots in the middle and start the game.
4. The first one to jitter and dance out of the circle is the winner toy-bot!
